

How will you 'Create Caloundra'?

Your Community + Creative Hub

A vibrant new community and creative hub is visioned for the Sunshine Coast!

Linking Bulcock Beach to Bill Venardos Park and creating a new town square and street spaces.

Create Caloundra asks you, what do you want to see and experience in your Community + Creative Hub? The Caloundra Community + Creative Hub creates a public space precinct connecting The Events Centre, new district library, Caloundra Regional Galley and town square to Bulcock Beach.

We need to know what you think, so tell us how do you imagine your Community + Creative Hub?

**Your place for arts,
community and creativity.**

Opportunities for Your Community + Creative Hub

The precinct will be brought to life with community and creative uses and events, so...

- 1 How should this place look and feel?
- 2 What activities and events would you like to take place here?
- 3 What are the key public space features you think this place should have?
- 4 What is the most important thing to deliver in this place for you to spend time here?
- 5 How will it be your Community + Creative Hub?
