

Marcoola North Placemaking project

The much loved Marcoola North Foreshore (Felix Parry Park) and Lorraine Avenue precinct have been selected to undergo a placemaking master planning process.

Council's placemaking team and Councillor Jason O'Pray will soon be asking the Marcoola community to 'have your say' on the placemaking master planning of the foreshore park and streetscape between the Marcoola Surf Lifesaving Club and the Lorraine Avenue shops. The precinct masterplan will be developed in four phases.

Have Your Say

PHASE 1

Values and visioning

What do you love and value?
What is your future vision?

PHASE 3

Have we got it right?

Have your say on the draft masterplan

PHASE 2

Making a plan

Developing a draft masterplan from the values and visioning

PHASE 4

Finishing and staging

Finalising the masterplan and developing an action plan

Community engagement will be held Friday 10 December 2021 to Monday 17 January 2022. Some of the ways you can have your say will include:

- 🔗 Meeting council at the markets
- 🔗 Attending the community workshop
- 🔗 Completing a survey
- 🔗 Writing Council an email
- 🔗 Visiting the project website
